

for long-distance biking on Federal land.

The legislation would expand outdoor recreation opportunities throughout the country and boost local economies that rely on tourism and the outdoor industry.

Additionally, ensuring Americans have access to public lands is critical to the development of multiple-use management, which includes outdoor recreation, resource development, and grazing. This bill identifies long-distance bike trails on Federal lands, making them easier for the public to explore and use for personal enjoyment.

I thank my colleague, Representative NEGUSE, for introducing this important legislation and championing it on behalf of his constituents.

I urge my colleagues to vote “yes,” and I reserve the balance of my time.

Ms. HERRELL. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise in support of H.R. 6337, a bipartisan bill sponsored by Representative JOE NEGUSE.

The Biking on Long-Distance Trails, or BOLT Act, is intended to meet the needs of biking enthusiasts by increasing the number of long-distance biking trails on Federal lands.

The BOLT Act would require the Secretaries of the Interior and Agriculture to identify at least 10 existing long-distance bike trails and identify at least 10 areas where there is opportunity to develop or complete such trails.

Mountain biking is one of the fastest growing sectors in the outdoor recreation economy, and I support identifying new opportunities for the public to recreate on Federal lands. The BOLT Act will make long-distance bike trails safer and more accessible to riders throughout the country.

I urge adoption of this bill, and I reserve the balance of my time.

Mr. HUFFMAN. Mr. Speaker, I reserve the balance of my time.

H.R. 7002

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the “Gateway Solidarity Act”.

SEC. 2. ILLUMINATION OF THE GATEWAY ARCH IN SUPPORT OF UKRAINE.

To show support and solidarity with the Ukrainian people, the Secretary of the Interior shall illuminate the Gateway Arch in St. Louis, Missouri, by blue and yellow lights—

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from California (Mr. HUFFMAN) and the gentlewoman from New Mexico (Ms. HERRELL) each will control 20 minutes.

GENERAL LEAVE

Mr. HUFFMAN. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks and include extraneous material on the measure under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from California?

There was no objection.

Mr. HUFFMAN. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise in support of H.R. 7002, the Gateway Solidarity Act, to illuminate the St. Louis Gateway Arch in the colors of the Ukrainian flag.

As we know, Russian president Vladimir Putin launched an unprovoked invasion of Ukraine, and since then, the country and its people have experienced the largest armed conflict in Europe since World War II—a conflict consisting of Russian attacks that have leveled Ukrainian cities, caused civilian casualties, and sparked an enormous refugee crisis.

Introduced by my colleague across the aisle, Representative ANN WAGNER, this bill would require the Secretary of the Interior to illuminate the Gateway Arch in the colors of the Ukrainian flag to show that we, in the United States, are behind Ukraine, sending a message to our friends and allies in Europe and across the globe that the American people are supportive of a sovereign Ukrainian nation.

I ask my colleagues to vote “yes” on H.R. 7002 and reserve the balance of my time.

Ms. HERRELL. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, H.R. 7002, sponsored by my Republican colleague, ANN WAGNER of Missouri, would authorize the Secretary of the Interior to illuminate the Gateway Arch in St. Louis, Missouri, in blue and yellow, the colors of the Ukrainian flag.

Throughout the world, international landmarks have been illuminated in blue and yellow as a sign of solidarity with the people of Ukraine.

These landmarks include the Kennedy Center, Niagara Falls, the Sydney Opera House, the Empire State Building, the Seattle Space Needle, and the Eiffel Tower.

In 2004, Congress enacted legislation requiring the Secretary of Interior to illuminate the Gateway Arch with pink lights in honor of Breast Cancer Awareness Month each October.

In 2015, the Gateway Arch was illuminated gold to commemorate its 50th anniversary. Most recently, in 2020, the Gateway Arch was illuminated purple and gold to commemorate the 100th anniversary of the 19th Amendment.

The Gateway Solidarity Act, as amended, would require the Secretary of the Interior to illuminate the Gateway Arch in St. Louis, Missouri, in blue and yellow lights for 5 days following enactment, and annually on August 24th, in recognition of Ukrainian Independence Day, until the President reports to Congress that Russia has ceased its hostilities against Ukraine.

I thank Representative WAGNER for sponsoring this bill. The bill's sponsor regrets that she was unable to be here today due to weather delays.

Mr. Speaker, I urge adoption of this bill and yield back the balance of my time.

Mr. HUFFMAN. Mr. Speaker, I urge an "aye" vote and yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from California (Mr. HUFFMAN) that the House suspend the rules and pass the bill, H.R. 7002, as amended.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the ayes have it.

Mr. NORMAN. Mr. Speaker, on that I demand the yeas and nays.

The SPEAKER pro tempore. Pursuant to section 3(s) of House Resolution 8, the yeas and nays are ordered.

Pursuant to clause 8 of rule XX, further proceedings on this question are postponed.
